The Board reviewed and approved the new water connection permit form. The form will be posted on the website.

The Commissioners opened the meeting up to the Public –

Laurie Shive from Blue Loon Bakery came in to talk about the construction on Main Street. Ms. Shive said that the construction is slowing her business down 15-20% from last year and she thinks this is due to people thinking that Main Street businesses are closed during construction and the limited amount of parking. The commissioners agreed to acquire some signs, have some flyers made and post an ad in the Shopper.

There was some discussion on the timeline of the Main Street Construction. Most work should be done before Labor Day.

Next Commissioner's meeting is scheduled for July 1, 2024, at 4:00 PM.

The meeting was adjourned at 5:15 PM.
Respectfully Submitted, Rhonda L Gauthier
