1. Meter replacements are going very well. We should be able to hit our mark by the end of March.
2. Tony and Micah have been doing an excellent job keeping up with meter replacements, snow removal and shop projects.
3. We plowed to Morgan Pond last month and cut the trees the Dam Bureau recommended. We will cut the remaining brush this summer and do some concrete work on the spillway.
4. Tony attended Backflow Testing Certification last week. He passed his practical with a 97%. We have to wait 60 days for the results of his written exam.
5. We have had one confirmed house freeze up on Birch Acres Rd.

Workload
