

Commissioners
Superintendent's Report

March 5, 2025

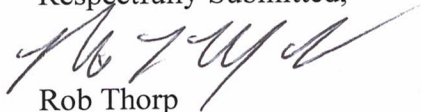

System Usage	2025	2024
March	6,530,000	5,220,000
Daily Average	217,666	174,000
Max Daily	310,000	270,000
Year to Date	24,520,000	21,010,000

1. Meter Reading is complete Maggi is working on getting bills out. We had a few issues but nothing too serious.
2. The contract for tank cleaning has been signed. We are waiting for the scheduling department to contact us.
3. SUR should be here this week to dig the Funeral Home drain line.
4. GZA has finished their work on Colby Point. I will get out there to clean up before Memorial Day.
5. Flushing notices have been put out. We will begin flushing on the 19th.
6. Jon and I have been checking the system looking for what appears to be an increase in water use. We haven't come up with anything yet.
7. As soon as I get the finalized Service Line Inventory from DES, Micah will begin the Identification process.
8. Our Sanitary Survey has been Scheduled for July 8th.
9. Radiological and PFOA reports came back. Everything is within acceptable limits.

Workload

Backflow Testing
Service Line Inventory
Flushing
Meter Reading Repairs
Colby Point Restoration

Respectfully Submitted,

Rob Thorp
